

Week of November 13-17, 2017

World Cultures with Mrs. Salcido

We will continue discussing types of economies in the world and complete some worksheets. Canada will be our next country to take a look at and then we will end the semester with the United States and a review of our economy, government, etc.

Make it a great week :)

What's Happening in ELAR with Mrs. Walton

This week students will get in depth on finding the main idea of a paragraph. Students will also work on a diagnostic test to give me a better idea of where to focus grammar lessons. They do have a reading assignment in Newsela. Because of a project coming up after the Thanksgiving break, there will not be vocabulary this week.

Math with Mrs. Cooper

We began our review of Unit 2 which includes Modules 3,4,5 and 6. Fractions, Decimals and Integers—Adding Subtracting, Multiplying and Dividing. We will review until Wednesday and on Thursday take our BIG Unit 2 test. Please make sure you are at school.

Wishing you and your family a very blessed and Happy Thanksgiving!

Science with Mrs. Miller

This week we will distinguish between atoms, elements, compounds, molecules, and mixtures. Unit 3 exam Thursday. Study lessons, ISJ, and unit review.

GJH Basketball

Thursday
November 16th
against
St. Mary's in
Temple

Girls play at 5:00 pm
Boys game follows.

Let's GO BEARS!

Computer with Mrs. Meeks

This is a new 6-weeks, let's start off the right way. Get your work completed on time! Yeah!!!!

This week we will be working on multiples and prime and composite numbers in Excel. I love, love, love Excel! It uses my

favorite subject! Math.

Dear Parents and Students,

This is the first week of the 3rd six weeks grading period. Report cards will go out Wednesday November 15th. Friday November 17th is an early release. Buses will run at 12:30. Remember we get the entire week from November 20-24 off from school. WooHoo!

UIL practices have started. Make sure your child is keeping up with daily assignments and tests in all classes. It takes a lot of organizational skills to be involved in so many extra curricular activities.

Don't forget—If you paid to enjoy a **thanksgiving meal** with your child the meal is Friday November 17th. Jr. High lunch begins at 11:45 on that day.

The **Gause 4-H Club** is also sponsoring a **food drive** until Friday November 17th. Your child can bring nonperishable food items to his or her homeroom teacher.

Have a wonderful and blessed Thanksgiving. Enjoy time with family and friends. We have so much to be thankful for.

Be sure to check the Gause website for more of the latest news and updates from our school, and check the Parent Portal for information about your child's grades and attendance. Have a great week.

Gause Jr. High School Teachers
